

TRANS-TEL

SBA Certified Tribal 8(a) Mentor Protégé

Trans-Tel Central and Tahkox e2, the economic development arm of the Delaware Tribe of Indians, operate under the SBA All Small Mentor-Protégé Program. Tahkox e2 is a Tribally Owned 8(a) company. Trans-Tel is an experienced federal contractor with expertise spanning decades of past performance. Through our Mentor-Protégé agreement, we offer design, engineering, and installation services for fiber optic, telecommunications, ISP, OSP, physical security, and low voltage. Services include GIS, consultation, analysis, design, turnkey deployment and long-term service and maintenance. Leveraging Tahkox e2's unique advantages and Trans-Tel's expertise in successful core IT and telecommunications past performance across the federal, state, municipal and commercial marketplaces, we deliver on time, on budget contract performance and the highest quality workmanship that responds directly to the needs of our customers. We are your ideal partner.
